

PIPE CLEANER PUPPET

ACTIVITY SHEET

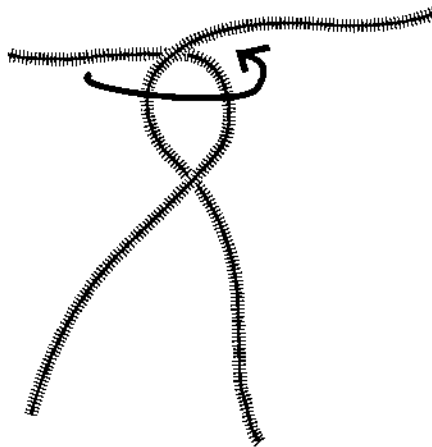

Directions: Follow the steps below to make a "pipe cleaner" puppet.

Step 1: Body

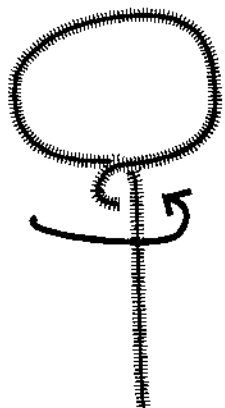

Twist in the middle two times.

Step 2: Arms

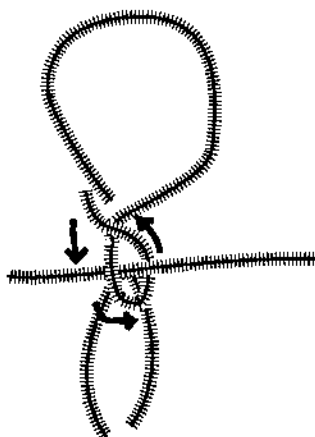

Twist two times to make the torso and arms.

Step 3: Head

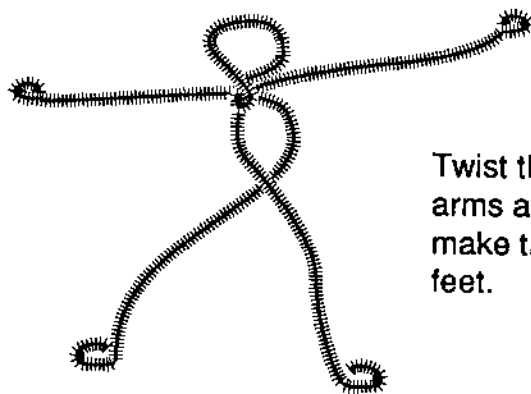

Twist two times to make the head and neck.

Step 4: Attach Head to Body

Loop the neck around the upper torso where the arms join. Then twist two times.

Step 5: Hands and Feet

Twist the ends of the arms and legs to make the hands and feet.
